2) Make & Model _____ State _____ License # _____

I will be driving a rental car and will provide this information upon arrival.

RV Information: Make/Model: _____ State: _____ License # _____ Length: _____

Rail Equipment

(If you are not bringing any equipment, read the next paragraph, then skip to the bottom section of Page 3, read it and then sign and date the form.)

Please note: You MUST be a Train Mountain Member to bring equipment to Train Mountain at any time. If you are not a member and want to bring equipment to the Triennial Meet, YOU MUST FIRST JOIN Train Mountain. If you are NOT BRINGING any equipment to run on the tracks, you do NOT have to be a Train Mountain Member to register for or attend the Triennial Meet only.

YOU MUST BE A 2022 MEMBER TO INCLUDE YOUR TRAIN IN YOUR 2022 TRIENNIAL REGISTRATION. COMPLETE THE 2022 MEMBERSHIP FORM FIRST.

To assist us in assigning you a storage siding, please provide the following information for each locomotive and freight or passenger car you plan to bring to the Triennial. If you bring more than one locomotive, we will attempt to assign all of your equipment to the same track or to adjacent tracks. Please remember that the maximum train length is 140'.

If you have a small electric locomotive or speeder, you may be asked to share a charging rack with another small unit. We are expecting a large number of electric locomotives.

Only pre-registered trains will be guaranteed a track assignment. These will be based on first-come, first-served by registration date. Track assignments close on May 31, 2022 or when 400 trains have been registered, whichever comes first. If you have no track assignment, you may take a chance and bring a train. If there are cancellations, you might be allowed to unload, otherwise you won't be able to.
